

# ECO-News – November

## Book Swap

We now have a book swap at the front of school where you can swap or donate books for your leisure.

## School News

As an Eco-council we are making sure that we continue to re-use and recycle throughout the school day.

All of the classes in school have a box to recycle whiteboard pens, glue sticks, felt tip pens, biro's and batteries.

The staff room now has a recycling box for the staff lunches and snacks.

Did you know you can recycle crisp packets at the local co-op?

## Pre-loved Uniform

The school council are responsible for our pre-loved uniform sale. If you have any donations of uniform in good condition, then please send them into school. Also if you would like to have a look at our uniform sale, then please feel free to stop by the office.

## A huge Thankyou...

To Poppy for all her fundraising efforts during her conker sales in school, Upholland Hub and Roby Mill Pumpkin Patch. She raised a grand total of

**£129.39**

As an eco-council we have decided to give each class their own plant to look after and take care of. These will be presented during House plant week from January 9<sup>th</sup> 2023

Following our environmental review in September we identified that whilst we have planted lots of trees around our school grounds and we have lots of planting beds, we don't actually have a lot of plants inside school.

Our next Eco-council meeting will take place on Tuesday 31<sup>st</sup> January until 4.10pm
